\$75.00**

## Rain Policy

In the event of rain, campers will be called, and camp will be cancelled that day. All campers will be issued a "Rain Check" which can be used to make up for the rained-out camp day on any other day of camp for the duration of the summer season. You are required to provide 24-hour notice if you will be using your "Rain Check" for our preparatory purposes.

Banbury Tennis Camp is committed to developing Junior Tennis Players

We offer premier training in exercises such as balance, agility, speed, coordination, and endurance. We also combine methods from multiple sports in order to ensure that our campers are firing on all cylinders when they hit the tennis courts or any other sport they pursue.

We believe in creating a solid athletic foundation that allows our campers to be more than just great tennis players. This also includes introducing a lot of information that they can take home with them such as nutrition, general fitness tips, stretching techniques and more.

### Prioritized Balance

**Static Balance:** The ability to hold a stationary position with controls

**Dynamic Balance:** The ability to hold the body in equilibrium while participating in movement.

**Strengthen the Core:** A strong core provides greater body stability and benefits balance.
