## BANBURY COURT USE RULES

- Full tennis attire and non-marking tennis shoes must be worn on the court.
- Courts are reserved online to a 60-minute play period.
- A reserved court may be claimed only at a changeover time (5 minute grace), and never in mid-period, unless the court is vacant and unreserved by members.
- Members "On Court" may continue to play through a following play period if the court has not been reserved.
- Lessons are given to members only.
- Club supported tournaments, clinics, special events and private lessons take precedence over individual court reservations.
- During COVID-19, safety measures disallow any guests from utilizing the courts. Otherwise, members may exercise guest privileges. An individual guest will be charged a \$10 daily fee by the Pro or Court Monitor. The member is responsible for collecting said fees. Guest fees must be paid prior to entering the court.
- Members are not allowed to bring in outside Pros to give them lessons during Club hours. Only Banbury Tennis Club Pros are allowed to give lessons during club hours.
- Members may not use hoppers or carts of balls on the courts unless they are in a lesson with a Banbury Tennis Club Pro. The exception to this ball usage rule is between the hours of 7:00am to 8:00am and 10:00pm to 11:00pm, Monday to Friday.
- The interpretation of the Pro or Court Monitor regarding these rules is binding upon members present. All complaints shall be directed to the President, in writing and addressed to Banbury Tennis Club or by email to banburytennisclub@gmail.com
- Non-compliance to the above court use rules may result in disciplinary action up to and including withdrawal of membership privileges. **The "No Show" policy is in effect. (Please see Website under Club Rules)**
